FOR IMMEDIATE RELEASE**Buddy Hiatt Celebrates 10 Years with Crestcom International**

Richmond, VA – April 19, 2018 – As a long-time Crestcom Franchisee, Buddy Hiatt celebrates 10 years of helping his clients develop their leaders through the interactive Crestcom Bullet Proof® Manager Program. His client's **managers and leaders have walked away with tools, techniques, and how-to systems** that they continue to apply to their daily lives that have made them more successful and efficient as managers and leaders. Over that decade, Buddy has certainly made a difference by facilitating in-depth leadership development programs and has helped leaders learn, connect and grow. Crestcom is excited to have Buddy for many more years!

"The positive impact we've been able to make not only on the Richmond business community, but the very lives of the people with whom we work, only go to reinforce the idea that, through this innovative program, we are truly making a difference."

-Buddy Hiatt

About Crestcom

Crestcom International, LLC is an international interactive leadership development and sales training organization that has trained more than 1 million leaders representing 20,000 businesses in 60 countries across the globe.

Crestcom does this through a unique blend of live-facilitated multimedia video, interactive exercises, and shared learning experiences, followed up by action plans and accountability sessions to ensure measured development in key leadership competency areas.
