ABOUT ASSOCIATION FORUM

Association Forum is the “association of associations” in Chicago. Founded in 1916, Association Forum has nearly 4,000 members today. The association community in Chicagoland represents more than 1,700 associations, which in turn serves nearly 29 million individual members and Greater Chicago Events. Next to Washington, DC, Chicago is the nation’s largest association headquarters city. Additionally, Chicago represents the largest concentration of healthcare and medical association in the world.

AUDIENCE RETARGETING

EXTEND YOUR REACH beyond the Association Forum website and keep your brand top of mind with leading association management industry professionals such as association CEOs and suppliers and consultants. The Association Forum website has over 195,000 unique visits each year from members and other industry professionals who spend approximately $947 million annually on products and services. Through programmatic retargeting you can create customized campaigns to reach only your target audience, increasing your ROI and eliminating wasted impressions.

TARGETING TACTICS Using a combination of our top targeting tactics will help you achieve your campaign goals.

- Geo-fencing location-based advertising focused on specific geographic shapes.
- Search retargeting targets prospects with display ads based on the searches they perform across the web.
- Site retargeting targets users who have already visited your site while they are visiting other sites across the web.
- Contextual targeting looks at the category or keywords of the current page a consumer is viewing and then serves them ads that are highly relevant to that content.

HOW RETARGETING WORKS

User visits our website → After leaving our site → Your ad displays to that user around the web → User clicks ad and takes action!
