ALEXANDRIA MOULDING ANNOUNCES PARTNERSHIP WITH INDUSTRIAL OPPORTUNITY PARTNERS

ALEXANDRIA, ON, April 13th, 2016 - Alexandria Moulding, a leading manufacturer and distributor of mouldings and related millwork products, today announced that they have partnered with Industrial Opportunity Partners ("IOP"), an operations-focused private equity firm based in Evanston, Ill. to recapitalize the business.

Operating out of coast to coast state of the art mega distribution centres and 4 manufacturing facilities, Alexandria Moulding's over 1,000 dedicated employees in partnership with IOP are poised for growth. As Andre Cholette, a shareholder and President of Alexandria Moulding explains, "this partnership is about making us stronger. IOP brings both resources and the experience to support the Company's transition from the 3rd generation and sustained growth".

Dave Mackin, Operating Principal of IOP, stated, "We are very excited to partner with the Alexandria Moulding team. Alexandria Moulding is a growing business with an excellent reputation for quality and customer service and strong relationships with both customers and suppliers."

Mr. Cholette adds, "The management team and I are thrilled to partner with an organization that shares the same employee, customer care and supplier value our founders instilled in us". Dan Close COO of US Operation suggests; "we are positioned to take full advantage of the US housing market recovery". Donna Gerrits, Vice President of Sales says "We are committed to business as usual, serving our customers with quality mouldings and related millwork products on time, with 100% fill rate".
