Castle welcomes newest member location in Central Region

Mississauga - June 27th 2013

Castle Building Centres Group Ltd. is pleased to announce the newest independent member location in Southern Ontario. Castle welcomes Whitewater Docks & Marina Systems Ltd. in Hawkstone, ON to the Castle Building Centres banner.

Whitewater Docks opened its doors in 2005 specializing in providing the highest quality engineering, design, manufacturing and project management for recreational docks to full-scale marina systems. To compliment the seasonal nature of the marina and dock industry; owner and entrepreneur Rod Card is ready to take full advantage of the buying power of Castle Building Centres Group.

"We started up our location to compliment the seasonal nature of the marina business and will now diversify into building supply products to service the local region as a Castle Building Centre" Rod Card, Owner.

Rod began his career in the offshore aquaculture manufacturing & supplies business in 1985. By 1993, Whitewater Docks & Marina Systems was the largest aquaculture supplier in North & South America and as a result he was awarded the Young Entrepreneur of the Year. He began manufacturing floating docks & marina systems before opening the location in Hawkstone in 2005.

"This is a very unique business model for Castle and we are excited to open up new opportunities for our newest member location." Bruce Holman, Business Development Manager.
