KASLO BUILDING SUPPLIES JOINS ACE CANADA

Now part of the helpful place

Winnipeg, MB, June 8, 2016 – The neighborhood Building Supplies located in Kaslo, BC converted to Ace Building Centre and is now part of a team of more than 4,800 locally-owned and independently operated Ace stores across the globe. The store celebrated with a grand re-opening on Friday June 3, 2016.

The store has been designed to reflect the needs of Kaslo and surrounding community, including solutions to everyday home maintenance needs, as well as an extensive array of high-quality products in categories such as paint, lawn and garden.

The response from the community has been great. The day of the grand re-opening “it was insanity, over two hundred lunches served. No parking, lined up & down the highway...crazy!” said store owner Jeff Davie.

“We are thrilled with the response to the Ace brand,” explained Bill Morrison, President of Ace Canada, “and we’re proud to have Jeff and his staff as part of the Ace team.”
