WRLA Welcomes new Office Manager – Iris Chrol

As the newest member of the WRLA team, Iris will be the first point of contact for our members. Iris will support the efforts of the accounting department along with multiple WRLA program and initiatives.

Iris comes to us from the Business Development Bank of Canada where she fulfilled the role of Client Relationship Officer. Previous employers include The Winnipeg Sun and the University of Manitoba Alumni Association.

A graduate of the University of Manitoba, she has more than 15 years of experience in marketing, communications, special event management, and business development in both profit and non-profit organizations.

Born and raised in Winnipeg, Iris has also lived in Washington, DC where she was an intern at the Canadian Embassy and Montreal, Quebec where she spent two summers studying French at the Universite de Montreal.

Outside of the office, Iris enjoys music, theatre, movies, travelling, reading and spending time with family and friends. She looks forward to meeting our members at the Buying Show in Calgary – so make sure you register!

Sincerely,

Liz Kovach
WRLA President
