

## NEWEST TIMBER MART MEMBER IN QUEBEC GROWS, ADDS SECOND LOCATION

### *Manugypse Adds Second Location in Boucherville, Que. with Newfound Buying Power*

VAUGHAN, ON, February 16, 2016 – TIMBER MART’s newest commercial member in Quebec, Manugypse, adds a second location with newfound buying power. Gaining access to a greater selection of buying programs, Manugypse expands to serve the greater Montreal market with a 50,000 square-foot building and 200,000 square-foot yard in Boucherville, Que.

“With TIMBER MART we gained access to broader buying power this year which gave us the confidence and ability to expand into a new market,” says Steve Rancourt, general manager for Manugypse. “As a member, we have the products and brands that our new customers want and look forward to serving them and continuing to grow the business.”

“We are pleased to see Manugypse expand and leverage the competitive advantages of being a member,” says Bernie Owens, president of TIMBER MART. “For independents like Manugypse who are looking to grow and get ahead, we offer the wide range of buying programs, services and support they need to do so, and be successful long term.”

Today, Manugypse has two locations to serve customers, the newest, in Boucherville, Que. and the original 63,000 square-foot location in Quebec City which houses a steel-frame manufacturing plant. Serving Quebec City, and now the greater Montreal region, Manugypse is a full-service commercial retailer and steel-frame manufacturer offering a select range of construction materials, including steel framing, gypsum wallboard, insulation, and acoustical ceilings.

### **About TIMBER MART**

In operation since 1967, TIMBER MART is Canada’s buying group of choice for independents. It is a member-owned organization serving building material and hardware retailers, commercial dealers and manufacturers. TIMBER MART exists to help Canadian entrepreneurs involved in the sale of building materials and hardware be more profitable.
