## ***Castle welcomes a another new member in Western Canada***

April 9 2013 - Mississauga, ON.

Castle Building Centres Group Ltd. is pleased to welcome yet another new member location to Western Canada. New to the Castle banner is Green Hills Building Supplies located in the welcoming town of Two Hills, AB. Castle welcomes you to the family.

Green Hills Building Supplies is a well known lumber and building materials dealer located in Two Hills; a small urban center which is nestled in an agricultural region of Alberta. Originally started in 2006 by owner Bill Wiebe as Green Hills Construction Inc.; the location catered primarily to contractors in the home and farm building construction industry.

Store manager Dave Martens is looking forward to generating more retail traffic and having access to Castle's unparalleled selection and buying power. Bill and his team worked hard to grow the business and expand the location over the past 3 years and now includes a 5000 square foot retail space and 1000 square foot product showroom.

*"Alberta continues to be a hotspot for new and existing independent LBM and Hardware dealers. We are excited that Castle's value proposition and dedication to the independent continues to attract new members at a record pace in Western Canada."*
