

PrimeSource Building Products Canada Ltd. Partnering with TIM-BR MART as a Key Supplier

Vancouver, BC – PrimeSource Building Products Canada, North America's largest purveyor of nails and fasteners is partnering up as a key supplier for TIM-BR MART, a leading edge buying group in Canada.

PrimeSource has expanded its distribution footprint in Canada to provide national distribution coverage from coast to coast. "This part of our strategic growth plan enables PrimeSource to provide increased service levels to our growing customer base, and fulfills the need of just-in-time requirements for our customers" says Michael Gibson, Regional Vice President, PrimeSource Canada.

Ken Fishbein, CEO of PrimeSource Building Products Inc. thinks that the partnership with TIM-BR MART will help PrimeSource continue to gain exposure to position its proprietary brands of Grip-Rite® nails and Pro-Twist® construction grade screws into the Canadian market place. "We have 70 years of fastener sales and service behind us in the states and we are looking forward to providing that proven expertise to the Canadian market and the TIM-BR-MART group in Canada" said Fishbein.

TIM-BR MART's progressive approach to the building materials industry and its out-of-the box thinking coincides with our strategy in Canada and will help PrimeSource gain continued exposure to our branding efforts in Canada.

About PrimeSource Building Products, Inc.:

With over 40 distribution centres throughout the USA and Canada, and more than 1,100 employees, PrimeSource is the largest purveyor of fasteners to the construction market and one of the largest distributors of building products in North America, including insulation, roofing, and steel reinforcing products.
