Event Showcases LBM Assortment for TIMBER MART Members and Customers

VAUGHAN, ON, May 1, 2017 – TIMBER MART hosted an open house at their new 27,000-square-foot lumber and building material (LBM) distribution centre in Langley, B.C. on April 27, 2017. From 11 a.m. – 4 p.m. PST, TIMBER MART members and customers were given facility tours and offered open-house specials that showcased the wide assortment of LBM products housed at the facility and three-acre yard from Tolko lumber products to Malarkey shingles and Johns Manville insulation.

"This new facility offers us greater square footage to house a larger offering of LBM products for our members and customers to take advantage of," says John Morrissey, TIMBER MART's vice-president of distribution and trading. "Our SKU count will increase by about 300 SKUs over the next few months which will offer an even wider selection of products and continue to provide our members with competitive advantage in the B.C. marketplace."

Alongside a wide range of LBM products, TIMBER MART's new distribution centre in Langley also offers Orgill hardlines products which are cross-docked through the facility as well as combined LBM and hardware weekly shipments.
