WRLA is excited to introduce Wynne from Winnipeg!

Wynne (“Winnie”) Au is the new Member Services Manager at WRLA. She has a Bachelor of Commerce (Honours) degree from the Asper School of Business at the University of Manitoba. She majored in both Marketing and Human Resource Management/Industrial Relations.

Most recently, Wynne was Senior Client Relationship Officer at the Business Development Bank of Canada (BDC), whose responsibilities included on-boarding and coaching new hires in the prairie provinces. Prior to that, she worked in the non-profit sector with Folklorama Inc. and coordinated its membership and volunteer services. Wynne continues to celebrate diversity and promote cultural understanding as a volunteer member on Folklorama’s Membership Committee.

She can quote all the highlight moments from the ‘90s sitcom FRIENDS and loves sushi, London Fogs, and Thomas Rhett, in that order!

Wynne’s first day will be Tuesday March 21, 2017. She can be reached directly at 204-953-1690 or toll free at 1-800-661-0253 ext. 0; or by email at WynneA@wrla.org. Wynne is very excited and looking forward to getting to know all our members.

Please join us in welcoming Wynne to the WRLA team!

Sincerely,

Liz Kovach
WRLA President
