Dear WVFA Member:

This year marks the 60th year for the **West Virginia Ted Harriman Forest Industries Camp**. The camp is scheduled for July 19-July 25, 2015, at Camp Mahonegan, Ellamore, West Virginia. This camp provides the opportunity for young people (age limit: as of July 31, 2014, over 16 and less than 20 years of age) to understand the value of multiple-use management of West Virginia's forests and also become aware of career opportunities in forestry. A partnership between our members and several state agencies provides the instruction and supervision for the camp. Alan Miller, a member of WVFA, will serve as director of the camp. ***The Forest Industries Camp scholarship cost this year is \$100.***

I invite you to provide on or more scholarships for the 60th West Virginia Ted Harriman Forest Industries Camp. Your scholarship check can translate into a better understanding for forest resource management and use. Please send your check to our office using the form below.

Sincerely,

Frank Stewart
Executive Director
