

Tree Farm Regional Meetings

Morgantown—Tuesday, April 12, 2016; 10:00 am to 1:00

Summersville—Thursday, April 14, 2016; 10:00 am to 2

Come to find out more about the American Tree Farm System!
Join us for an **informative seminar** and **free lunch**.

Presentations include:

Bats, hogs, and dogs: Important wildlife issues for WV woodland owners

Dr. Sheldon Owen
WVU Wildlife Extension Specialist

Forest management—It's for the birds!

Kyle Aldinger
WV Cerulean Warbler Partnership Coordinator

Update on American chestnut in WV

Dr. Brian Perkins
Associate Professor of Forestry, Glenville State College

Hope you can make it!

To **RSVP** and for directions to the seminar contact:

Elizabeth or Cindy (304-372-1955)

at the **West Virginia Forestry Association**.
