2015 TRADE SHOW

Country Roads

Dear Exhibitor:

I want to thank all of you who took the time to answer our 2014 post conference survey and who graciously provided additional feedback in follow-up telephone calls. We really do care about your success!

This year Oglebay Resort provides unique opportunities and challenges. With reasonable rates and an accessible location, we are hoping to attract first time attendees as well as members who haven't missed a meeting in years. However, meeting space is somewhat limited. One suggestion -- closing the exhibit hall during breakfast -- was not possible because of this.

However, we have made one program change which will give you more control over how long you want to stay at the meeting. Exhibits will close following the Monday night Exhibitors Reception. If you are interested in the field tour and the closing party, you will be able to sign up at a later date. In 2015 you will have just as many opportunities to interact with ACF members as in previous years without being chained to a booth.

I hope you already have the 2015 ACF National Conference on your calendar and will be among the first to sign up. I look forward to seeing you in Wheeling.

Regards,

Lynn C. Wilson

Lynn Wilson
Executive Director

Who Will Attend?

ACF members are professional foresters in private practice with businesses responsible for the management of over 20 million acres of timberland. The Association has a total membership of more than 650 professional foresters and meeting attendance regularly exceeds 300 members and guests. Our members make the purchasing decisions for their companies and clients.
