# Legislative Day

*Our key goal each year is to have members from our industry meet directly with their legislators and discuss industry issues. With term limits many legislators are just not that familiar with the structural pest control industry.*

*Legislative day is our opportunity to sit down and explain the vital services that our industry provides to the people of California.*

**Guest Speaker:**  
**ASSEMBLYMAN**  
**CHAD MAYES**

Over the course of his decade-plus years of public service, Chad Mayes is noted for bringing a spirit of responsive, servant leadership to every position he has held. From his tenure as a Yucca Valley Town Councilman and as a board member of the San Bernardino Associated Governments, to leadership on the Statewide Board of Directors for League of California Cities, it's clear that Chad's ability to build relationships on both sides of the aisle benefit the communities he serves. A governing conservative, it was Chad's reputation for building consensus that resulted in his appointment to a number of key legislative committees.

In addition to his Vice Chairmanship of the Assembly Human Resources Committee, Mayes was appointed to the Governmental Organization Committee as well as the Insurance committee. Also noteworthy was Mayes' additional appointment to the important Assembly Rules Committee, which serves as the administrative body governing the Assembly, as well to the Special Committee on Legislative Ethics.
