

Home Hardware Stores Across Canada Dig in for National Tree Day

St. Jacobs, Ontario, September 27, 2018 – [Home Hardware Stores Limited](#) and [Tree Canada](#) are celebrating National Tree Day by planting trees and shrubs at different locations across Canada.

This year, 37 Home Hardware locations will participate in tree planting initiatives across the country. Since 1992, Home Hardware Dealers have planted 25,792 trees, valued at nearly \$1.4 million, in green spaces from coast to coast to coast.

The plant represents the eighth-year anniversary of National Tree Day, held annually on the Wednesday of National Forest Week to remind Canadians of the numerous health and environmental benefits provided by trees. The special day is celebrated across the country with tree dedications, plantings, workshops and outdoor education walks.

“Tree Canada, Canada’s national tree charity, is excited to continue our partnership with Home Hardware by bringing more trees to communities across Canada,” said Michael Rosen, President of Tree Canada. “For the last 26 years, Tree Canada and Home Hardware have worked together to plant and maintain over 25,000 trees, creating a lasting legacy for present and future generations.”

“For 26 years, Home Hardware has partnered with Tree Canada to improve our green spaces across the country by planting and looking after 27,792 large trees,” said Terry Davis, President and CEO, Home Hardware Stores Limited. “This is just one example of the countless ways our Dealer-Owners from across Canada give back to their communities.”
