

**Protect the health of your family with MAYO CLINIC Expertise
via MyCare Health Benefit Option!**

What Is MyCare Health Benefit Option* (HBO)?

MyCare HBO provides Plan Members with access to Mayo Clinic expertise through their team of over 3,700 experts for medical diagnosis so the best treatment and recovery plan are not delayed. In consultation with Mayo Clinic, MyCare HBO arranges and pays for:

- Required specialist assessments, including Oncology
- Required imaging: MRI, CT and PET/CT
- Retest of pathology
- eConsult with Mayo Clinic physicians - receive diagnosis results within 48-72 hours!
- Coverage for all family members
- Medical file accumulation
- Diagnosis confirmation (Second Opinion)
- Specialist assessments and imaging performed in Canada
- All associated travel costs

MyCare HBO Additional Features:

- No medical exam required
- No deductibles or co-payments
- Simple and easy to administer
- Eligibility to age 75

Option 1: Member company's of WRLA have the option to purchase MyCare HBO as an employee benefit for all employees or a group of employees within a Class for only \$4/employee/month! Please call 1-866-756-3281.

Option 2: For company's not wishing to purchase MyCare HBO as an employee benefit, MyCare HBO can also be offered to individual owners and employees of WRLA Members on an individual employee-paid voluntary basis* for only \$8/month! Please call 1-877-497-0233 and ask for the "STRATA" group rates.

Within the first 60 days of having MyCare HBO coverage, MyCare HBO plan members have the option to upgrade and purchase MyCare Advantage Insurance*. The MyCare Advantage Insurance provides up to \$5M U.S. of treatment/surgery directly at one of the Mayo Clinic facilities!
