## ANNOUNCEMENT

It is with pleasure that we announce that Gary Barrault has joined the management team at North American Lumber in the role of Business Development Manager. Working from North American Lumber's Corporate Office in Winnipeg, Gary will work closely with the branches in developing existing and new sales opportunities, along with training and implementation of procedures and retail management.

Gary brings to North American Lumber 25 plus years of retail sales experience. Beginning his lumber career with Beaver Lumber, Gary learned the industry with Beaver, Newton Enterprises, and McMunn & Yates, all in Portage la Prairie. Most recently Gary was the Store Manager for McMunn & Yates in Winnipeg. Gary's knowledge and experience will be an asset to the North American Lumber.
