

## OVERVIEW

West Can Group and WRLA have been working together to provide excellent rates and services to WRLA Members and their family and friends.

WRLA long distance customers are billed through West Can Group. West Can takes pride in our in-house billing.

West Can Group is a 100% Canadian owned and operated company. West Can has been involved in the long distance industry from the inception of the deregulation in the Canadian market. We began in the reselling business in 1991. Since that time West Can has grown substantially and proudly provides services from Newfoundland to Victoria, BC and north to the North West Territories.

Over the years West Can's expertise has been offering our service to residential customers, and businesses as well as affinity groups/employee packages across Canada. We take pride in our customer service, and in-house billing. It is our ongoing mission to work hard on providing competitive rates to our customers.

Under the WRLA Long Distance Plan we offer; direct-dial long distance services throughout Canada, Inbound toll free service within Canada and from the USA, calling card services and Reservationless Conference calling.

West Can Group looks forward to our continued relationship with WRLA and serving its members.
