

# 2019 - 2020 Pest Ed Series

Long Beach  
Thursday, October 24, 2019

Special Recognition to  
Doug Belle from Douglas Products  
for his collaboration with PCOC

## Don't Miss out on PCOC's Pest Ed Series!

We are excited to announce our 2019 - 2020 Pest Ed Series. After receiving feedback regarding previous Pest Ed events, we have made some valuable enhancements. We are very excited about our new "Hands-on" experience trainings that will be featured at the upcoming Pest Ed Series. The "Hands - On" topics encompass Branch I, II and Branch III. In addition, we have added more breakout sessions to provide unique experiences for each attendee. Investing in your team's development by attending any of these events will help your company grow. Pest Ed is the premier training event for California's Pest Control Industry.

Invest in your team, obtain CE hours, learn new treatment methods and enjoy the "Hands - On" experience at our new Pest ED Series!

**Southern**
