

Program Overview

Canada Job Grant (CJG) provides opportunities for employers to invest in their workforce, with help from the government.

The CJG provides direct financial support to individual employers who wish to purchase training for their employees. It is available to small, medium and large businesses with a plan to deliver short-term training to existing and new employees. Every province has their own funding and application process. Here's the information for [Ontario](#) as an example.

Were you aware your team may be eligible for e-commerce education and training to learn a platform like Amazon? If your team is looking to grow or launch, our team can help guide you through this process and provide you with training.

Interested? Head [here](#) and book a call for more information as funding fills up fast since it's on a first come, first served basis.
