Big Rock Sports Now Carrying SeaSucker Products

GRAHAM, NC—

As part of Big Rock Sports' ongoing commitment to providing top-of-the-line gear to outdoor sports enthusiasts, the inclusion of SeaSucker products marks a unique expansion of their product portfolio. SeaSucker, a Florida-based designer and manufacturer with a reputation for revolutionizing outdoor equipment, aligns seamlessly with Big Rock Sports' dedication to delivering American-made excellence to business owners operating in the outdoor sports market.

SeaSucker has gained widespread acclaim for its revolutionary vacuum-mounted accessories designed for a variety of outdoor activities. SeaSucker's versatile and reliable products have set a new standard in the industry and are proudly made in the USA—by the people, for the people!

SeaSucker's line includes bike racks, marine accessories, and outdoor gear, all featuring the patented vacuum-mount technology that ensures secure and flexible attachment to various surfaces. Business owners in the outdoor sports market now have the opportunity to enhance their product offerings with these state-of-the-art solutions, catering to the evolving needs of their customers.

"We are excited to bring SeaSucker's exceptional products into our distribution network," said Brian Phillips, President at Big Rock Sports. "SeaSucker's commitment to quality and innovation mirrors our mission to provide our customers with the best in outdoor sports gear made right here in the USA. This partnership allows us to offer a wider range of cutting-edge products to our clients, helping them pursue their outdoor sports experiences."
