SUBJECT: Port of San Francisco Centralized Examination Stations (CES)

PURPOSE:

To inform the importing community of a change in CES operations within the Port of San Francisco

BACKGROUND:

In 2014, two warehouse operators were selected to hold CES agreements and have serviced the Trade community since that time: Bobac C.F.S. Corp and North America 3PL LLC.

ACTION:

At this time, CBP will conduct all examinations at Bobac CES. North American 3PL is no longer available for examination. If you have questions regarding the status of shipments that are designated for CES exam, you may contact the unit that placed the hold at one of the following numbers:

ATU: 510 271 8900 x2006, or option #7

Trade: (510) 337-9700, option #4

Agriculture: (510) 337-9700, option #5

Please discontinue use of all North American 3PL contact numbers that were designated for ATU and Agriculture.
