

Port of Long Beach (POLB) is in the process of finding and/or improving a new oversized and overweight route between the Port and various destinations, including City of Los Angeles. POLB has concluded a study of two potential routes and would like to present them to our stakeholders.

- Subject: San Pedro Bay Oversized and Overweight Truck Route Improvement
- **Date/Time:** March 18, 2020/10:00am-Noon
- Location: 725 Harbor Plaza, Long Beach <u>POLB Maintenance</u>
 Division Ground Floor Conference Room
- Parking: Park outside fenced area and enter at Pedestrian Gate
