# Work Site FAQs

## **What will it cost me?**

There is no cost to participate in the program. You provide the work environment and training, and we provide pre-screened students.

## **How long is the commitment?**

Internships should provide a minimum of 60 hours in one semester. Contact us for details.

## **How many hours per week are the students available?**

The hours vary by student. We ask a minimum of 4-6 hours are given each week and up to the maximum allowed by law.

## **What if the students doesn't work out?**

Sometimes it happens. Just let us know so we can assist with the transition and help find another student.

## **What do I teach them?**

We expect all worksites to provide basic skills training to help build good work ethics along with any industry-specific skills and training you can offer.

## **My intern is great, can I hire them?**

Absolutely! We can assist in transitioning them from an intern to an employee.
