Supported by:

National Institute for Scientific Research (INRS)
Environmental Technologies for Decontamination and Integrated
Management of Wastewater and Effluents (TEDGIEER)

Laval University (LU)
Young Water Professionals (YWPs)

Canadian Association on Water Quality (CAWQ)
Innovation Center for Advanced Technologies and
Decentralized Liquid Effluent Sanitation (CITADEL)
Water Technology Center (Cteau)

SYMPOSIUM THEMES

SUBMISSION OF ABSTRACTS

Authors are requested to submit a detailed and informative abstract. The submission deadline is **September 12th, 2022**. See "INSTRUCTIONS FOR ABSTRACT PREPARATION " next page.

SYMPOSIUM OBJECTIVES

Objectives of the symposium are to bring together people in diverse fields of water quality management and research to present achievements and innovations in science, engineering, and policy, and further the exchange of information for public benefit in Canada between universities, consultants, industries, and governments.

Both **podium and Poster presentations** along with **One-Slide-3min presentations** are solicited across the proposed symposium themes. The organizing committee also encourages the submission of high-quality abstracts on themes that are not listed but are based on innovative studies and/or commercial applications that are related to water quality issues in Canada.

If you would like to organize a special session, please contact conference chair (Dr. Patrick Drogui) at the address given below.

CREATE-TEDGIEER AND CITADEL

The 36th Eastern Canada Symposium on water quality will also host the annual conference of the [CREATE TEDGIEER](#) program, an interuniversity program dedicated to Environmental Technologies for Decontamination and Integrated Management of Wastewater and Effluents (TEDGIEER) and the [CITADEL](#) network, an inter-center network dedicated to Advanced Technologies and Decentralized Liquid Effluents Remediation (CITADEL).

INSTRUCTIONS FOR ABSTRACT PREPARATION

Oral and Poster presentations are being accepted. Oral presentations will be scheduled for 30 minutes including question and discussion periods.

All CREATE TEDGIEER and CITADEL students are invited to present a "one-slide-3 min presentation" in addition to participate to one of the previously presentations mentioned above.

Please submit your abstract online via [CAWQ website](#).

Abstract Submission Guidelines

In order to facilitate production of the book of abstracts for all attendees, please follow the abstract format guidelines below:

- Submitted abstracts should be limited to research background or problem statement, objectives, methodology, results, discussion, conclusions, and recommendations.
- **Abstracts should be limited to 500 words (excluding title and author information) and one figure/table.**
- Abstracts should be 1.5 line-spacing in Arial font
- The title (bold 14-point font) should be centred at the top of the abstract
- Author names (normal 12-point font) should be centred under the title
- Author affiliations (italicized 12-point font) should be noted numerically and left-aligned
- Presenting author name should be underlined, with an email address in an endnote (10-point font)

Presenting authors will be contacted by the end of September 2022 regarding abstracts.

STUDENTS AND YWPS AWARDS

In order to compete for the Award, authors should indicate if they are currently Young Water Professionals (YWP; 35 years old or younger) or presenting graduate research on the Abstract Information Form.

In order to encourage YWPs participation and showcase the talents of YWPs conducting water quality research, there will be several awards for YWPs:

- **Philip H. Jones Award for Best Oral Presentation:** cash prize of \$ 400 for 1st place and \$ 300 for 2nd place. Both winners will also receive a one-year membership in CAWQ. To learn more about this award and previous winners, [see here](#)
- **Best Poster Presentation:** \$ 200 cash prize for 1st place and \$ 100 to the 2nd place winner.
- **Best "One-Slide-3min":** presentation for the students from CREATE-TEDGIEER program: \$ 200 cash prize for 1st place and \$ 100 to the 2nd place winner. The winners' presentation will be recorded and featured on the CAWQ and CREATE-TEDGIEER websites and YouTube channels.

Note: All presenters will be required to register to attend the symposium.

CONFERENCE REGISTRATION FEE

The fee includes attendance at the symposium, book of abstracts, and networking event.

Note that Water professionals who are 35 years old or younger are considered as YWPs.

CAWQ Member	\$ 20
