

Fall 2021 Workshop Series Call for Technical Workshops

October 5-7, 2021 • Denver, CO

The United States Society on Dams (USSD) is opening applications for Technical Workshops to be held from October 5 through October 7, 2021. The USSD’s Fall 2021 Workshop Series offers a technically rich mix of interesting topics of varying durations spread across a three-day period. USSD is planning to offer one 3-day and 2-day workshops (Sessions 1 and 2, respectively) and two 1-day workshops (Sessions 3 and 4). To optimize workshop attendance while minimizing attendee time commitment, there are also two different half-day workshops (Sessions 5 and 6) spread over the three-day period to offer additional flexibility for presenting or attending a combination of the full 1- or 2-day workshops and a half-day workshop.

- Session 1: 3-day workshop
- Session 2: 2-day workshop
- Session 3: 1-day workshop
- Session 4: 1-day workshop
- Session 5: 1/2-day workshop (same presentation 2x)
- Session 6: 1/2-day workshop (same presentation 2x)

Submissions for Technical Workshops are due by May 28, 2021. to info@ussdams.org. All proposals should be supported by one or more of the USSD committees. Please provide the following information to be considered for a Technical Workshop.

Submitter Name: _____

Presenter(s)' Biography/Background (*provide a brief background on each presenter; also, attach resume(s) as part of submission, optional*):

Those who submit workshops and are selected by USSD are agreeing to be a presenter at the Fall 2021 Workshop Series. USSD is planning to hold the Fall 2021 Workshop Series in-person. However, if the Fall 2021 Workshop Series cannot take place in-person due to unforeseen circumstances, presenters are agreeing to transition to a virtual workshop presentation format.
