Workers' Comp and More.

Qualifying members of any of the AGC-Texas Building Branch Chapters can join the CompGroup AGC for a constructive approach to lower premiums.

In addition to a premium discount, members have access to a safety plan specific to the construction industry, and can qualify for a group dividend. Texas Mutual policyholders have exclusive access to more than 2,000 free safety resources, including 200 e-Learning online modules, to help keep their workers safe.

\$ DIVIDEND HISTORY

All Texas Mutual policyholders have the opportunity to earn individual dividends, but as a member of the CompGroup AGC, you may qualify for an additional group dividend if the group has favorable results.
