

FOR IMMEDIATE RELEASE

Post L Group Adds Industry Leader and Fort Worth Native Alec Baker to Leadership Team as the Company Expands its Drywall Operations Division

Fort Worth, TX (April 2, 2025) – Post L Group, a construction management firm, announced today the addition of Alec Baker to its executive leadership team. Serving as Vice President of Drywall Operations, he will lead the division out of the company's Fort Worth office.

Alec Baker brings more than 10 years of experience in the paint and drywall trades within the Dallas-Fort Worth market. His professional experience includes leading complex construction projects throughout the area, including several projects at the Fort Worth Zoo, Loews Hotel & Convention Center in Arlington, and the TCU Neeley School of Business.

Baker began his project management career at one of the largest drywall firms in the Dallas-Fort Worth region, where he worked for nine years. Most recently, he worked for a well-respected paint contractor.

"We are proud to welcome Alec Baker to the Post L Group leadership team," said Jeff Postell, president, Post L Group. "Alec's track record in leading high-performing teams and successfully managing complex projects will help us continue to expand our work throughout the region, with a commitment to executing every Post L Group project with precision and industry-leading expertise. Not only is he an exceptionally skilled tradesman, he has the vision and drive to lead our team as we continue to elevate the drywall trade in the state of Texas."

Baker will represent the Drywall Division on Post L's executive team and work closely with team leaders in the company's Fort Worth office, including Hugo Enriquez, Operations Manager; Damen Gamez, Pre-Construction Manager; Austin Nance, Senior Project Manager; and Richard Nava, Project Manager. Alec is poised to lead the Post L team on its upcoming drywall projects including Fort Worth ISD Martin Jacquet Middle School Renovation, Crowley ISD New Crowley High School Field House, and the City of DeSoto Aquatics & Recreation Center at McCowan Park.

"I am excited to bring my passion for construction, project management, and team leadership to the Post L Group's Drywall Division, which is poised to continue to grow its operations and expand its reach this year," said Alec Baker, Vice President of Drywall Operations, Post L Group. "Many colleagues who I have known and respected for years work here at Post L, so it feels like I am joining a family, not just a company."

Baker earned an undergraduate degree in Construction Science from Texas A&M University and a Master of Business Administration (MBA) from Tarleton State University. He is a Fort Worth native and a graduate of Fort Worth ISD's Paschal High School. When he's not leading teams in the construction industry, Alec enjoys spending time with his family, fishing, hunting, and working out. He and his wife Emily have a son.
