 Presiding: Dawn Meyers, President FASBO - Les Vaughn, President FRMA

10:00 am - 11:00 am Keynote Speaker: John Michael Keyes  
 Topic: Black Swan  
 This stems from the old belief that all swans were white, and was used in reference to something impossible. When black swans were discovered in Southern Australia, the meaning changed. It's now used to refer to an improbable event.  
 Black swan events can be both negative and positive; John-Michael connects the violent incident at Platte Canyon High School with the Black Swan Theory. And the aftermath is also in that category; how the outcomes and programs of The " Love U Guys" Foundation are unpredictably positive.  
 Presiding: Dawn Meyers, President FASBO – Les Vaughn, President FRMA
