

HR Florida 2020 Annual Conference Safety Updates

Increased measures for live event announced

The [HR Florida State Council](#) will continue to hold its 42nd annual conference on August 30th – September 2nd at the Gaylord Palms Resort & Convention Center in Kissimmee with increased safety measures to protect all conference attendees. As safety is the Council’s top priority, it will continue to monitor and abide by the guidelines and recommendations of the [World Health Organization](#), the [Center for Disease Control and Prevention](#), the [State of Florida](#), [Osceola County](#) as well as the [Gaylord](#) to ensure the highest safety standards for all attendees.

The Council recently announced its [virtual component](#) to accommodate those who wish to experience the conference from their homes. For those attending the onsite event, the Gaylord Palms Resort & Convention Center has implemented top safety measures and cleaning practices to protect guests and visitors. At this time, the Exposition Hall booths will be physically distanced and room capacities will be reduced by approximately 50 percent. As the conference nears, the Council will continue to follow updated guidelines and release new information as it becomes available and/or if anything changes.

Representing virtually every industry and size of business, this onsite and virtual event is a prime opportunity for professionals to network, grow and learn about the human resources profession. To learn more and/or register, please visit <https://hrfloridaconference.org/>.

Last Minute	After 08/15/2020	\$1,285

On-Line Conference Experience

When we started planning for the 2020 HR Florida Conference & Expo On-Line option, we knew that it had to be designed from the attendee experience. Each possible facet of the On-Site conference would need to be expressed in an On-Line platform. It would need to be engaging and compelling. **AND, it HAD to be FUN!** To find out more about our On-line experience, click on the graphic below:
