FOR IMMEDIATE RELEASE

Access Intelligence, LLC Extends Partnership with Convention Data Services for Three Years

Bourne, MA – December 4, 2019: Access Intelligence, LLC has extended its partnership with Convention Data Services (CDS) for three years through 2023. CDS will provide registration, integrations and lead management for SATELLITE 2020.

“CDS has been our trusted provider of registration for many years,” said Lindsey Fuller, CEM, Vice President, Satellite Group at Access Intelligence. “The registration process is an important, and imperative, part of the customer journey and we’re happy to extend our partnership with CDS to continue to improve the overall attendee experience.”

“We are looking forward to continuing our relationship with Access Intelligence,” said David Lawton, Chief Sales Officer at CDS. “We have worked closely together on the SATELLITE show for a very long time and are excited to continue to bring new technologies to their event.”
