

UNIVERSITY OF MANITOBA MCAM STUDENT CHAPTER PLANS FOR ANOTHER SUCCESSFUL YEAR

The University of Manitoba MCAM Student Chapter is gaining strength in energy and numbers under the leadership of newly elected Chapter President, Brady Harris. Brady, a third year mechanical engineering student experienced the value of participating in Student Chapter activities during the 2017-2018 School year. When now, Past President Brett Coey graduated and left the position of President vacant; Brady was well equipped to take on the responsibilities of President. The 2017-2018 Chapter participated in the MCAM Golf Tournament, DMS Banjo Bowl, MCAM Hamper Building Day, MCAM Speed Interviewing, MCAC Student Chapter Summit and MCAM President's Ball.

“ MCAM Student Chapter is gaining strength in energy and numbers”

Brady's new team with Executive members; Sean Coey (Vice-President), Mason Kujanpaa (Treasurer) and Joel Kaskiw (Secretary) have started the year off with a Bang. Already the Chapter has participated in the MCAM Golf Tournament, a UMES membership drive, DMS Banjo Bowl and MCAM Pioneer Night. In addition to recommitting to the activities of last year with an increased presence; the group has plans for an "Ask me Anything Event" including an Industry Tour and Q&A from Industry Professionals and Trade Show participation in the Western Engineering Competition, promoting interest in Student Chapters across the Western Provinces.

The Chapter has grown to the extent that membership is being capped and future membership will be based on an application process.

The goals of the Student Chapter Initiative are:

- **To expose our future Engineers with the contractors and Industry they will work for, design for or hire in their future careers.**
- **For our contractor and associate members to develop relationships with and identify potential hires.**

MCAM Board of Directors celebrated the hire of Brett Coey 2018 UofM Engineering Graduate and past Student Chapter President by Associate member BPL Sales Limited. Student Chapter Alumni continue to be involved and aware of the MCAM initiatives. The MCAM Student Chapter

MCAM STUDENT CHAPTER IN ACTION

Left - MCAM Student Chapter members (L to R), Brady Harris, Sean Coey, Austin Spencer and Mason Kujanpaa enjoy being guests of DMS Industrial Constructors, Brad Mason (Left) and Julien Lafleche (Right).

Right - MCAM Student Chapter with MCAM Past President, Roger Phaneuf of Wesman Mechanical on Campus for Student Chapter meeting.
