

SEVEN OAKS MET SCHOOL

Learning Through Internship - Seven Oaks Met School and Maples Met School

The Met School program follows the Big Picture Learning Network's "One Student at a Time" philosophy based on the premise that students learn best when they are doing something they are passionate about, in the real world, and actively participate in their own education. The Met Schools work with community partners, businesses, professionals, and organizations to provide opportunities for students to explore their interests and career goals directly with mentors in the real world.

Looking to book small group (4-10 students, with 1 teacher) tours to 1-2 of members' facilities

The list of tours will be presented to businesses and organizations to students at both schools. Students will then self identify as wanting to attend the tour based on their desired career path.

We are looking to book these tours on Tuesdays or Thursdays between the hours of 10:00 AM - 2:30 PM from December 3rd, 2019 - December 19th, February 4th - March 26th, 2020, April 7th - May 30th, 2020.

We have a school video you can watch on YouTube <https://www.youtube.com/watch?v=OMh-WYuN8sk>
