

Manitoba Hosts 2018 Western Regional Meetings - a success!

MCAM recently hosted the Mechanical Contractors Association Western Regional meetings. The meetings included a President's Welcome Reception held at the Journey to Churchill exhibit, welcoming Pierre Boucher, new CEO of MCAC. It is a New Era for the Mechanical Contracting Industry. Pierre provided highlights for the MCAM members focusing on collaboration and innovation. Thank You to BPL, Black and MacDonald, A&B Mechanical, AON, Wolseley and United Rental for their Sponsorship of the event.

Delegates had productive meetings working on behalf of industry discussing and advancing important issues including; Prompt Payment Legislation, Procurement/Community Benefits and policy and legislation, Young Emerging Professionals, Women in construction, Innovation, Scholarships, MCA Student Chapters and Trends in Construction Contracts. Lunch was sponsored by MCAM member, QuoteToMe who provided an innovative presentation highlighting their new tool and equipment quoting platform for the construction industry.

Following the meetings, Delegates and spouses participated in a networking and team building cat fishing derby hosted by APEX and MA Stewart. The day ended with a delegate dinner at Mon Ami Louis, provided by Kal Tire. MCAM is looking forward to participating in the 2019 Western Regional Meetings to be held in Banff, AB, May 29 – June 1, 2019. 2019 will be the first annual Western Regional conference with all MCA membership invited to attend.
