

Region Director Onboarding Series Update:

If you missed the last webinar, “Region Director Candidacy: So You Want To Be a NAWIC Leader” the recording is available on the National website (<https://www.nawic.org/nawic/Webinars.asp> after “Upcoming Webinars” on the right side under “Archive – NAWIC Development”). One of the items that was discussed is obtaining your employer’s support. If any Officer or Region Director Candidate would like me to send their employer a letter encouraging their support, e-mail me (akpnawic@charlesinc.com) your boss’s or owner’s name, company name and mailing address.

The next session is scheduled for Wed. Jan. 8th, 2020 7PM ET/6PM CT/5PM MT/4PM PT. Past South Atlantic Region Director, Kristey Stewart, and Past South Atlantic Region Communications Chair, Emily Herndon will be discussing “Improving Communication in Your NAWIC Region.” Poor communication can slow down our member engagement in a second; eating up time and resources, resulting in burnout. Kristey and Emily will help you enhance collaboration across your Region, by offering simple, proven methods for improving communication. The outcome: members will work together in a way that promotes the overall success of the organization and the industry.

“Membership numbers may drive our association, but our members drive the numbers.” Kristey Stewart
