

## **Arrow Exterminators Opens New Commercial Service Center in Nashville, Tennessee**

*This marks Arrow's 117<sup>th</sup> Service Center Opening*

**Atlanta, GA** – Atlanta-based Arrow Exterminators recently opened a new commercial service center in Nashville, Tennessee to better serve the businesses of Middle Tennessee. This new service center will help accommodate recent growth within Arrow and provides career advancement opportunities for Arrow Team Members; it's just another way that Arrow Exterminators has firmly rooted itself in the Middle Tennessee area. As a special bonus, this will not only make Arrow Exterminator's 117<sup>th</sup> office, but also the 10<sup>th</sup> commercial service center in the Arrow family.

"Arrow's goal is to build lasting relationships with our business partners" said Emily Thomas Kendrick, President and Chief Executive Officer. "Our experienced Service Professionals offer expertise in pest control for businesses, prevention, termite protection, wildlife control as well as other pest management services. We look forward to better serving the businesses of Middle Tennessee and rolling out the red carpet for them with our focus on customer service and sustainability."

Tim Pollard, Senior Executive Vice President and Chief Operating Officer, continues, "The new Middle Tennessee commercial service center officially opened on April 1st and we cannot wait to hit the ground running! The new office will focus on the areas currently serviced by our Core service centers in Franklin, Nashville, Dickson and Bowling Green, KY. We are excited to announce this new location joins Arrow's growing list of 117 service centers throughout the United States and is strategic to our growth objective of \$300 million and beyond."
