### **Hank Althaus retires after 43 years. Kurt Scherzinger named President of Scherzinger.**

Hank Althaus officially retired from Scherzinger Pest Control on March 1<sup>st</sup>, 2019 after serving the company for 43 years. Hank is a true success story starting as a warehouse helper 43 years ago and retiring as president a position held for 5 years as well as everything in-between. Hank has been instrumental in helping the company grow to its current state of being the 67<sup>th</sup> largest pest control company in the country and the largest family owned pest control company in the tristate area. Hank was also instrumental in helping the 4<sup>th</sup> generation transition through the company to their current roles. Kurt Scherzinger was named President upon Hank's retirement. Hank leaves the company with many accomplishments and the company in a great position with the next generation ready to lead.
