## **Ace Exterminating Named 2019 Torch Award Winner**

CINCINNATI (September 17, 2019) — The Torch Awards for Marketplace Ethics is Greater Cincinnati's only ethics-centered awards program. For 19 years, local businesses and nonprofits have demonstrated their dedication to ethics by going through a process of self-evaluation and submitting to feedback from a panel of judges.

Torch is a program of BBB Center for Ethics, designed to encourage and celebrate outstandingly ethical organizational practices. All of the finalists involved—Ace Exterminating included— have earned this remarkable commendation.

"It's a privilege to honor a business like Ace Exterminating," said Corrie McGlothlin, vice president of BBB Center for Ethics. "The Torch Awards sets exceptional organizations apart because we believe celebrating the best in our community makes our community better. The team at Ace Exterminating demonstrates that every day with the passion they bring to their work, their customers and their community."

The Center is happy to congratulate Ace Exterminating on this accomplishment, and looks forward to seeing what the organization does in the future.

The team at Ace Exterminating is thrilled to be recognized for the organization's ethical practices, and wants to thank those that helped throughout the Torch Awards process. "Everyone at our company is so honored and pleased to be acknowledged for our ethical standards," says Rick Steinau, President. "It's something we work hard at to differentiate our company from others."
