The Virginia Wildlife Damage Management Association (VWDMA) will be holding a Fall conference, in person, for the wildlife management industry in Virginia! We are happy to be getting back together in person after 1.5 years!

Topics include:

- Demo of the new DWR Trapper Finder Tool
- Positive Set Trapping Demo for squirrels, voles and moles
- Feather Your Nest with Big Bird Jobs
- Proofing Demos that will increase your revenue
- Urban Coyotes in Virginia
- Create a trap cover workshop
- Skunks and Groundhogs: Bait shy critters
- Form 37 and Depredation Permits

On October 20 join us for a full day of education at the Wingate by Wyndham Richmond Short Pump. This training qualifies for 8 CEUs for a Virginia Commercial Nuisance Animal Permit (CNAP).

Anyone working in the Wildlife Damage Management Industry is welcome! For more information or to register, please click [here](#).
