

Borden Ladner Gervais LLP is one of Canada's most specialized and highest ranked construction law firms.

Our national presence, unsurpassed knowledge and expertise gives us a solid foundation from which to give clients practical, efficient and consistent advice on construction—particularly in the areas of project delivery and dispute resolution. Our award-winning team of practitioners, litigators, solicitors and engineers work hand in hand with clients through every stage of the construction process.

BLG clients come from all segments of the construction industry, namely institutional and private owners, developers, general contractors, subcontractors, suppliers, insurers and surety bonding companies. We offer clients a broad range of services and advice relating to:

- Drafting RFQs, RFPs and other procurement documents
- Drafting all forms of construction contracts and agreements
- Contract negotiations
- Infrastructure and mega-project advice
- Public-private partnerships
- Alliance financing
- Construction insurance, including professional liability coverage
- Procurement/tender disputes
- Delay and loss of productivity claims
- Lien claims
- Product liability and construction materials-related claims
- Engineering and geotech claims
- Professional negligence claims
- Condominium disputes
- Environmental issues
- Highway maintenance
- Insurance coverage and defence
- Leaking buildings
- Issues arising during construction
- Fidelity and fraud litigation
- Recovery of assets
- Construction insolvency
