

# Industry Summit on Construction Technology

---

The Future of Construction:  
Automation, Offsite & Field Technology

---

**August 22-24, 2023**

Hyatt Regency  
370 King Street West  
Toronto, ON  
M5V 1J9

# Event Description

Addressing the critical issue of labor shortages in the construction industry through the integration of design, manufacturing, fabrication, and assembly processes with field mechanization will be the focus of our Toronto event. We will bring together experts, practitioners, researchers, and policymakers to discuss important innovations, challenges that stand in the way of progress, and how industry stakeholders can contribute to industry advancement. Participants will have the opportunity to learn about the latest developments in field mechanization technologies, including autonomous machinery, robotics and more.

- How can the Building Industry attract, train and retain more skilled workers locally and globally.
- Government & Industry partnerships to reduce the cost of construction and stimulate innovation.
- Case studies featuring the application of Offsite Prefabrication, modularization & site automation.
- Strategies to digitize your business across Planning, Estimating, Scheduling & Construction.
- Contech focused expo with vendors from around the world.

## Event Highlights

40+ Speakers

300+ Attendees

3 Days of Networking and Educational Opportunities

## DAY ONE - August 22

**Project Site Tour:** Get ready for an immersive experience on our upcoming Project Site Tour, where you'll witness cutting-edge technologies in action! Explore our construction site as we showcase how advanced technologies are being utilized to streamline the construction process. Don't miss this opportunity to see the future of construction in action and gain insights into how technology is driving efficiency, sustainability, and safety on our project site!

**Prefabrication Facility Tour:** Step into the future of construction with our Prefabrication Facility Tour, where technology is at the forefront of our manufacturing processes! Witness how advanced technologies are utilized in our state-of-the-art prefabrication facility to create high-quality components for our construction projects. Learn how digital tools and software are utilized for design, simulation, and quality control, ensuring the highest standards are met. Don't miss this opportunity to witness the future of construction and experience the innovation and efficiency of prefabrication technology!

**Opening Networking Reception:** Join us to kick off the Future of Construction Technology Conference at our opening reception. This exclusive event will bring together industry leaders, innovators, and professionals from across the construction technology landscape for an evening of networking and knowledge-sharing. Connect with fellow attendees, speakers, and sponsors in downtown Toronto. Our opening reception is perfect for building valuable business relationships. Share ideas, discuss the latest trends, and explore potential collaborations with other industry experts, while enjoying delicious hors d'oeuvres and refreshing beverages.

# Event Agenda

---

## DAY TWO - August 23

**Morning Executive Sessions:** The morning Executive Sessions will bring together c-suite industry leaders, innovators, and government authorities to discuss the latest trends, challenges, and opportunities in the construction sector. The Executive Morning Sessions, set to kickstart the conference, will be a series of thought-provoking discussions and presentations that are designed to inspire, educate, and engage executives from across the construction ecosystem. The morning sessions will commence with a keynote address from a renowned industry leader who will share insights and perspectives on the future of construction.

**Afternoon Technical Sessions:** The Technical Afternoon Sessions will be a series of in-depth presentations and discussions that dive into the technical aspects of construction. From advanced materials and construction techniques to cutting-edge technologies such as robotics, prefabrication, reality capture, and artificial intelligence, these sessions will provide attendees with practical insights, case studies, and demonstrations of the latest tools and techniques shaping the future of construction. Led by industry experts and technical specialists, the sessions will offer valuable learning opportunities for professionals looking to stay at the forefront of technological advancements in the construction industry.

# Event Agenda

## DAY TWO - August 23 continued

**Technology Exhibition:** The Technology Exhibition at the Future of Construction Conference is a premier showcase of industry-leading technology companies. The exhibition will feature an array of cutting-edge products, solutions, and services that are shaping the future of the building industry. Attendees will have the opportunity to explore the latest advancements in areas such as Building Information Modeling (BIM), virtual and augmented reality, robotics, automation, construction software, and more. With interactive displays, live demos, and networking opportunities, the Technology Exhibition promises to be a must-visit destination for professionals seeking to stay abreast of the latest technology trends and innovations in the construction sector.

**Meets & Eats Networking Dinner:** Join us for an exclusive industry networking dinner at the upcoming Future of Construction conference! The dinner brings together construction industry leaders, innovators, and professionals for an evening of networking, collaboration, and idea exchange. Connect with like-minded individuals and companies, discuss the latest trends and technologies shaping the future of construction, and build meaningful business relationships in a relaxed and welcoming atmosphere. Don't miss this opportunity to expand your network, gain insights, and foster new partnerships at this must-attend networking dinner.

## DAY THREE - August 24

**Charity Golf Day:** The Networking and Charity Golf Day is an exclusive event that brings together professionals and business leaders from various industries for a day of networking and philanthropy on the greens. Throughout the day, there are ample opportunities for networking, exchanging business ideas, and fostering new relationships. Post tournament, sit down for lunch and make connections with other golfers. A portion of proceeds will go to Habitat for Humanity.

### Golf Schedule

Times Subject. to Change

7:15AM - Arrival & Registration

8:00AM - Shot Gun Start

2:00PM - Sit Down Lunch

Golf Includes:

- 18 Holes with Golf Cart
- Boxed Breakfast
- Sit Down Lunch
- Prizes

Golf Club Rentals available and are an extra cost paid at Golf Course.

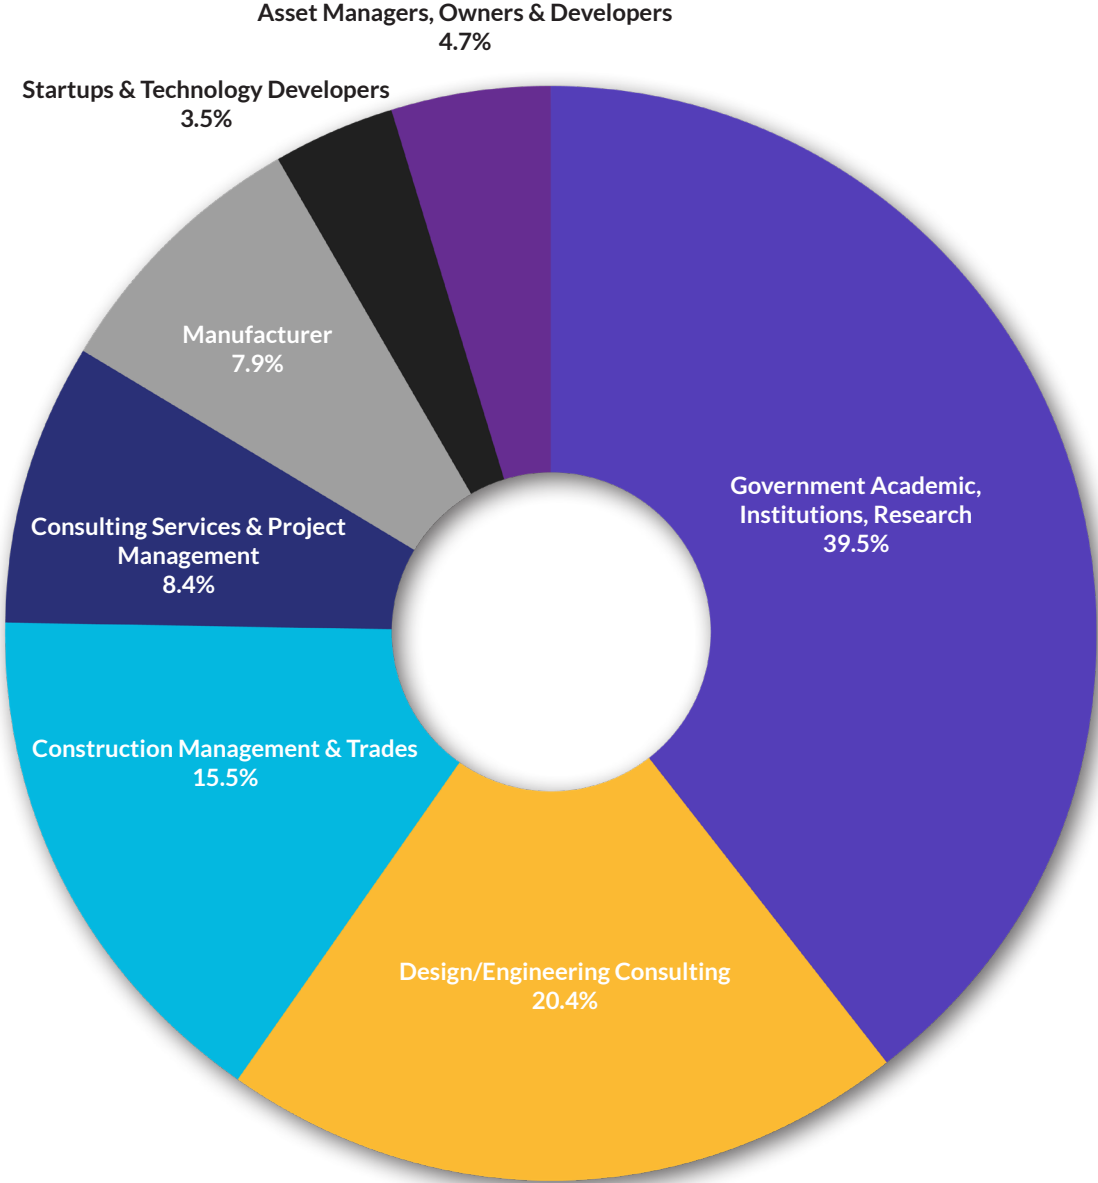

Shuttle available from Hyatt Regency to Golf Course.

# Partners & Audience

## Audience

# Event Details

## Exhibitor Information

Showcase your latest innovations and technology with our audience at our Technology Exhibition on Day 2 of the conference.

Exhibitor Registration includes

- Access to Meet & Greet Reception (Day 1)
- Access to Speaking Sessions (Day 2)
- 1 Table in the Tech Exhibit (Day 2)
- One - 3'X6' Table top set up
- Two chairs
- Approx. 8'x10' of booth area

Exhibitor Registration does not include – separate registration is required

- Access to Project Site Tour (Day 1)
- Access to Networking Dinner (Day 2)
- WiFi
- Power Access
- AV Equipment
- Carpeting
- Table Covering

## Hotel & Event Venue

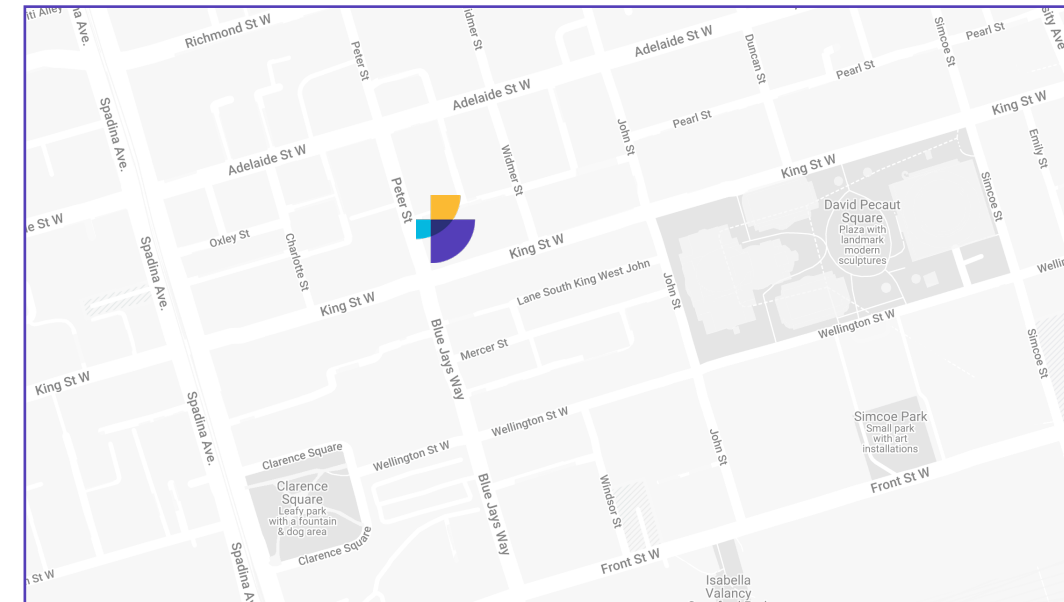

Hyatt Regency  
370 King Street West  
Toronto, Ontario M5V 1J9

## Hotel Registration Details

Rooms Available for August 22, 23, and 24, 2023  
Courtesy Block Rate \$289 + taxes & fees
