

SEPTEMBER 1-OCTOBER 31

# Working at Heights (ID: WAH-34585)

*Reserve your seat today!*

In support of Fall Awareness Week, NORCAT is pleased to offer members and affiliates of OGCA and League of Champions, as well as members of NORCAT's WSIB Excellence Program a special rate for our CPO-approved Working at Heights training.

Working at Heights training provides workers with the knowledge and understanding to perform work safely at heights and to know their legislative rights. This program is designed to provide instruction to any worker who is regularly, or on occasion, assigned work that may require working at heights criteria whereby fall arrest protection equipment and safeguards are required to be implemented.\*
