

NOMINEES FOR 2021 ASSOCIATE PARTNER COMMITTEE

Name: Krista Chaytor
Company: WeirFoulds LLP

Please consider me for the APP Committee. I am a lawyer with 20 years of experience, recognized by *Best Lawyers* in the area of construction. I am also a co-founder of Pay Prompt Inc., a business which has developed software to demystify prompt payment and adjudication. As a lawyer, I represent large general contractors, small family-owned general contractors and also many other construction-industry participants. My commitment to my clients is to find real and workable business solutions to legal problems. I take the same practical approach with board and committee work. I would love to make a contribution to the OGCA associate partners on the APP Committee.

Name: Bart Kaners
Company: Ready Mixed Concrete Association of Ontario (Concrete Ontario)

Since joining Concrete Ontario in 1999, I have had the pleasure of working closely with both the staff of the OGCA as well as its members addressing concrete technical issues and supporting the educational efforts of the construction industry. Working in partnership with the OGCA, we jointly developed and delivered a four-day concrete fundamentals course, and I have had the pleasure of teaching the OGCA's George Brown Concrete course for two years while a new instructor was being found. The OGCA remains a leader in promoting both safety and the significant contributions that the construction industry makes to improving the quality of life for everyone in Ontario and I would like to contribute to these efforts.
