Job Title

Please check one of the options below

I have at least 10 years of relevant working experience in the construction industry. Examples of working experience in the construction industry may include experience working in the industry as an accountant, architect, engineer, quantity surveyor, project manager, arbitrator or lawyer.

I do not have 10 years of relevant working experience in the construction industry and understand that it is a prerequisite to be eligible to hold a certificate of qualification for adjudication; however, I still want to proceed to enroll for the training program.

Type of experience in the construction industry (please check all boxes below that may apply):
