About Stephenson's

Proudly Canadian for over 65 years, Stephenson's prides itself on being a truly full-service construction tool and equipment rental provider that is committed to supporting its customer's changing needs. As one of the oldest and largest independent Canadian rental companies, Stephenson's extensive experience in supporting residential, commercial, industrial, infrastructure and engineering projects across Ontario & Alberta is unmatched and uses a consultative approach to provide its partners with safe, reliable and cost-effective solutions to meet their projects specific needs at every stage.

Get access to Canada's widest selection of small tools and an unparalleled construction heater inventory coupled with 100 & 400 lb cylinders as well as bulk propane. Stephenson's also offers a complete line of Scaffold, Temporary Fence, and Edge Protection solutions along with a wide fleet of Aerial and Light & Heavy Construction Equipment to keep your job on time, on budget and safe.

SERVICE OFFERINGS

- CONSTRUCTION TOOL AND EQUIPMENT RENTALS
