

# Liberty Mutual<sup>®</sup>

## INSURANCE

With close to 30 years in the Canadian marketplace, Liberty Mutual Canada ('Liberty') is the Canadian operation of Liberty Mutual Insurance Company. We are the 6th largest global property and casualty writer, and the largest global surety provider.

We offer a range of commercial insurance products to mid-size and large companies with Canadian, North American and/or multinational risks.

### All you need, all in one place: our difference

When you work with us, you'll benefit from:

- **Comprehensive commercial and specialty solutions.** We offer the breadth of coverages your business needs, all in one place, tailored for flexibility.
- **Industry specialization at every touchpoint.** It's our business to know your business. With experts in underwriting, risk control, claims, and more, we harness innovation to help mitigate risk at every level.
- **High-quality service.** You'll work with engaged, responsive professionals, from initial underwriting and onboarding to claims management. Our teams are agile and collaborate to help ensure your program is operating for optimal results.
- **A company culture that's leading the way.** From underwriting to service, it's the people you work with that make the ultimate difference. We develop empowered teams and individuals, ensuring you get the best solutions, insights, and service.
- **Our mutual advantage.** Our mutual insurance status enables us to take a long-term view and wholly devote ourselves to our policyholders and partners. This unique perspective helps us make better decisions, deliver innovative solutions, and put people first.
