- Company History:** Toronto location opened in March 2008. Parent company opened in 2003 and has grown to 75+ markets worldwide. Multivista has been contracted on over 2.5 billion square feet of construction projects.
- Management:** Robert Graham, CPA, CMA, 416-479-3498, r.graham@multivista.com
Heather Hobart, Operations Manager, 416-479-3488, h.hobart@multivista.com
- Principal Fields of Activity:** Construction documentation using photography, professional video, webcams, measurable 3D images, or 360° virtual walkthroughs. Visual information is linked to an interactive plan in our web-based platform.
- Services Provided:** Visual photo and video documentation solutions for construction projects of any size. Inspection-grade photos, streaming webcam feeds, and facility videos can be reviewed online by project stakeholders for remote monitoring and inspection, QA&QC, training, dispute avoidance and resolution, verification of as-built conditions, and facilities management.
- Representative List of Clients:** Variety of large and small clients, available upon request.
- Typical Projects:** Schools (elementary, secondary, and post-secondary), hospitals, healthcare, industrial, commercial, residential (hi-rise, low-rise, condo, rental, and custom homes).
