

BECOME A PILOT!

FLIGHT TRAINING AT THE WATERLOO AIRPORT

FREE INFORMATION SESSION!

Our sessions provide future students with everything they need to make informed decisions about a career in aviation, including:

- Overview of WWFC programs, including the University of Waterloo Aviation Programs and the Integrated ATPL (Airline Transport Pilot Licence) Program
- Guidance for academic and flight training success
- Financial information, including scholarships and funding opportunities
- Step-by-step insights into application processes and industry expectations
- Exploration of career pathways in aviation
- Interactive Q&A session
