

Student Sponsorship Form

Meeting Professionals International (MPI) and the Potomac Chapter of Meeting Professionals International (PMPI) take great pride in our student members. We are fortunate to be able to work hand-in-hand with tomorrow's industry leaders. Unfortunately, the costs of tuition, books, housing, and fees are increasing and some students are in need of financial assistance to become a member of our great organization. To help these students, the Student Relations Committee has created a sponsorship program which is available to qualified, full-time students wishing to further their professional pursuits through joining MPI. With your generous support, students will receive the financial assistance they need to become members.

If you are interested in sponsoring a student please complete the form below and return it to the Student Relations Committee Co-Chairs or the Chapter Manager. Your form will be kept on record in order of its submission date. Once a qualified student applies for the sponsorship, you will be contacted for payment and to complete the transaction. If you have any questions regarding the sponsorship or the form below, please contact the Student Relations Committee Co-Chairs. Please note: all of your information will be kept confidential and only your name will be released to the student upon your request.

Thank you for your support!
